

## Pensions Increase is 2.4% this year from 8 April 2019

### How is the increase calculated?

The Pensions Increase (Review) Order, which is issued each year by central government, tells all public sector pension schemes (of which the Local Government Pension Scheme is one) of the increase that should be applied to pension benefits. The annual increase reflects the rise in the cost of living and is in line with the Consumer Price Index (CPI) measure of price inflation recorded in the previous September.

### Who is eligible for the increase?

- Anyone in receipt of a pension who is over 55 or left employment to retire on the grounds of ill health.
- Anyone who has received the payment of their preserved benefits on ill health grounds and who was incapable of carrying out any type of work.
- Anyone in receipt of a spouse's, partner's or child's pension.

### When will we notify you about the increase?

Your payslip for April will include the increase in your pension (where applicable) from 8 April 2019. For those eligible to an increase of more than £1 a month a further payslip will be sent in May to show the increased pension for a full month.

### Am I entitled to the full increase?

If your pension began on or before 23 April 2018 you are entitled to receive the full increase. If your pension began after this date a smaller, prorated increase applies as shown in the table below:

### How to avoid overpayments

It's not easy talking about what will happen after you've gone, especially with your loved ones, but it's something we all should do. Please take the time to have that difficult conversation, and make sure that someone will take care of your affairs when that day comes.

It's important that whoever is looking after your affairs knows how to contact us to tell us you have died. The North Yorkshire Pension Fund (NYPF) telephone number to share is **01609 536335**.

As soon as we are informed we can stop your pension payments to avoid any overpayment, and also put into place any new pensions, such as pensions for a husband, wife or partner who is entitled to one.

## Sharing Information

As we don't always get told when one of our pensioners has died we use a third party company to provide a monthly report to check for potential deaths against the General Register Office's records.

We also take part in the Tell us Once initiative. This means when someone registers a death, they can ask to have the details passed on to the Department for Work and Pensions (DWP) and other council departments including the NYPF.

In addition to the above the Cabinet Office require the NYPF to take part in the National Fraud Initiative (NFI). The NFI is an exercise that cross checks records from other pension schemes and the DWP. This exercise increases the chances of all the parties finding out when someone has died.

**It is extremely important if you claim any sort of benefit that you tell the benefit provider you are in receipt of a pension from the NYPF in case its value has to be taken into account. If you don't do this, the NFI exercise may pick it up as a fraudulent claim.**

## Dependants Benefits

An ongoing pension is provided for your spouse, registered civil partner and children as long as certain criteria are met. Also if you left after 31 March 2008, in addition to the above, a pension is also payable to a cohabiting partner subject to certain qualifying conditions.

Although not mandatory it is advisable to complete a cohabiting partner's form which you can download from the NYPF website at [www.nypf.org.uk](http://www.nypf.org.uk) under 'Forms/Guides' > 'Useful Forms'.

Further information can be found on the NYPF website at [www.nypf.org.uk](http://www.nypf.org.uk) under 'Forms and Guides > Scheme Guides > Long Guide to the LGPS'.

## Scheme Funding

NYPF held total investment assets of £3.3 billion as at 31 December 2018. This represents an investment return of -2.1% over the previous 12 month period. These assets, in combination with total current and future liabilities, resulted in the Scheme being 105% funded as at 31 December 2018.

You can keep up to date by viewing the quarterly investment reports on the NYPF website at [www.nypf.org.uk](http://www.nypf.org.uk), 'Pension Fund/Investments' > 'Quarterly Investment Reports'.

## Pensioners' Representative

Your views and issues continue to be represented by Gordon Gresty, a fellow NYPF pensioner, who worked for North Yorkshire County Council (NYCC) for 24 years. As the Pensioners' Representative, Gordon has a place on the Pension Board which gives him the opportunity to contribute to the way that the NYPF is run and to ensure that your views are considered.

If you have any comments, queries or complaints about pension matters that you would like Gordon to respond to, please email him at [pensions@northyorks.gov.uk](mailto:pensions@northyorks.gov.uk) and put his name in the subject box. You can also visit Gordon's website page at [www.nypf.org.uk](http://www.nypf.org.uk) under Member Info > Retired Members > Pensioners' Representative which is updated with issues which may be of interest and relevance to you.

Further information about the Pension Board can be found on the NYPF website at [www.nypf.org.uk](http://www.nypf.org.uk) under Pension Fund / Investments > Pension Board.

## P60s

Your P60 for the year up to 5 April 2019 is only issued once a year. The law requires us to issue your P60 certificate by 31 May each year but we aim to send it well before then. You may need your P60 at a future date, for example if you want to claim benefits, so please make sure you keep it safe.
